FOR THE EASTERN DISTRICT OF OKLAHOMA**

IN RE: BROILER CHICKEN GROWER
ANTITRUST LITIGATION (NO. II)

MDL No. 6:20-MD-2977-RJS-CMR

Hon. Chief Judge Robert J. Shelby

Hon. Cecilia M. Romero

**DECLARATION OF STEVEN WEISBROT
REGARDING THE IMPLEMENTATION OF NOTICE PLAN**

I, Steven Weisbrot, hereby declare under penalty of perjury pursuant to 28 U.S.C. § 1746 that the following is true and correct:

1. I am the President and Chief Executive Officer at the class action notice and claims administration firm Angeion Group, LLC (“Angeion”). I am fully familiar with the facts contained herein based upon my personal knowledge.
2. My credentials were previously provided in the Declaration of Steven Weisbrot on Angeion Group Qualifications & Proposed Notice Plan (“Notice Plan Declaration”) (ECF No. 135-1).
3. The purpose of this declaration is to provide the parties and the Court with a summary of the work performed by Angeion to effectuate notice pursuant to the Court’s Order Approving Notice Plan and Authorizing Issuance of Notice to the Tyson and Perdue Settlement Classes (ECF No. 146).

SUMMARY OF THE NOTICE PROGRAM

4. The notice plan approved by the Court included individual direct notice to all reasonably identifiable members of the Settlement Class via direct mail. It also included a strategic print publication schedule, programmatic display advertising, social media advertising, a press release, and the implementation of a dedicated website and a toll-free telephone line where members of

the Settlement Class were able to learn more about their rights and options pursuant to the terms of the Settlement.¹

DIRECT NOTICE

5. The direct notice effort in this matter consisted of sending an individual long form notice to all members of the Settlement Class for which Plaintiffs had sufficient address information. For all members of the Settlement Class where the Plaintiffs possessed sufficient structured data, a pre-populated claim form was also included with the long form notice mailing. As delineated below, the overwhelming majority of members of the Settlement Class received pre-populated claim forms. However, for those members of the Settlement Class where Plaintiffs lacked sufficient structured data to pre-populate a claim form, Settlement Class members were able to answer a series of simple questions on an unpopulated claim form that enabled Settlement Class Counsel to estimate their *pro rata* share based on available industry data from certain alleged co-conspirators, including data available from Agri Stats, Inc. or, alternatively, to submit their own documentation to substantiate their *pro rata* share.

6. Between September 9, 2021 and September 14, 2021, Angeion received Grower compensation data and mailing address information for members of the Settlement Class from Plaintiffs' counsel. Angeion analyzed the data and identified approximately 24,186 records. After consolidating records (where multiple compensation records applied to the same Grower) and identifying records that also provided mailing address information, Angeion determined 22,625 records had sufficient structured data for the Growers associated with those records to be issued direct notice with a pre-populated claim form (records that had both (a) address data and (b) compensation history data). Angeion identified 653 records providing address information but no compensation information such that those 653 Growers could not be mailed direct notice with a pre-populated claim form but could be issued direct notice with an unpopulated claim form.

¹ Although there are two Settlement Classes, because they are identically defined and notice was disseminated to the same members of those Settlement Classes in the same manner, I refer to the "Settlement Class" throughout.

7. On September 22, 2021, Angeion commenced dissemination of the long form notice and claim form by mail to the 23,278 Growers identified in the preceding paragraph. Prior to mailing, the address information was processed through the USPS National Change of Address database, which provides updated address information for individuals or entities who have moved during the previous four (4) years and filed a change of address with the USPS. True and correct copies of the long form notice, pre-populated claim form and unpopulated claim form are attached as **Exhibits A, B and C**, respectively.

8. On October 7, 2021, Angeion received supplemental data from Plaintiffs' counsel which included additional data and mailing address information that I was advised Plaintiffs' counsel had either only recently received and/or processed. Angeion analyzed the data and, as a result, beginning on October 18, 2021, mailed a pre-populated claim form in addition to the previously sent long form notice (as reflected in Exhibit A) to 669 Growers, including 23 entirely new records.

9. As of December 3, 2021, a total of 1,806 mailings were returned by the USPS as undeliverable. Mailings returned to Angeion by the USPS with a forwarding address were re-mailed to the new address provided by the USPS. Mailings returned to Angeion by the USPS without a forwarding address were subjected to address verification searches ("skip traces") in an attempt to locate updated address information. In total, 725 mailings were re-mailed because of the above-described efforts.

10. In summary, as of December 3, 2021, there were 22,220 mailings sent out that were not returned undeliverable.

11. Angeion will continue skip tracing efforts through distribution and will process the records through the USPS National Change of Address database prior to sending out payments from the net settlement fund.

MEDIA & PUBLICATON NOTICE

12. In my Notice Plan Declaration, I indicated programmatic advertising is a method of advertising where an algorithm identifies and examines demographic profiles and uses advanced technology to place advertisements on the websites where members of the audience are most

likely to visit (these websites are accessible on computers, mobile phones and tablets). On September 22, 2021, Angeion implemented the internet banner portion of the notice plan using a desktop and mobile ad campaign to notify and drive Settlement Class members to the dedicated Settlement website where they could find more information about the Settlements and submit a claim form. True and correct copies of the internet banner notices are attached as **Exhibit D**.

13. In my Notice Plan Declaration, I explained that the social media campaign uses an interest-based approach which focuses on the interests that users exhibit while on the social media platform. On September 22, 2021, Angeion implemented a social media campaign via Facebook and Instagram to engage with the audience via a mix of news feed and story units to optimize performance via the Facebook and Instagram desktop sites, mobile sites, and mobile apps. A true and correct copy of the Social Media advertisements are attached hereto as **Exhibit E**.

14. The internet banner ads delivered 889,067 impressions and the Social Media ads delivered 1,568,830 impressions. An internet impression is generally defined as an instance where an advertisement loads and displays in front of a user. So if our advertisement was shown on www.cnn.com to one Internet user, for example, that would count as one impression.

15. In addition to the notice efforts described above, the notice plan also featured a media strategy designed to reach members of the Settlement Class via a strategically geo-targeted publication notice campaign, targeted at those geographic regions for alleged co-conspirators whose Growers are members of the Settlement Class, but which produced incomplete data making direct notice to those Growers less practicable. To that end, a 1/8-page advertisement was published one time in each of the publications listed below. True and correct copies of the tear-sheets from the publications are attached hereto as **Exhibit F**.

Wooster Daily Record	September 22, 2021	10,657
Canton Repository	September 22, 2021	24,382
TOTAL:		160,440

16. On September 27, 2021, a 1/2-page advertisement was published in the Poultry Times, which has a paid circulation of over 13,000 targeted readers, of which approximately 65% are Growers, Integrators, and hatcheries. A true and correct copy of the tear-sheet from that publication is attached hereto as **Exhibit G**.

PRESS RELEASE

17. On September 22, 2021, Angeion caused a press release to be distributed over the National & Agriculture circuit on PR Newswire to further disseminate news of the Settlements. A true and correct copy of the press release is attached hereto as **Exhibit H**.

SETTLEMENT WEBSITE AND TOLL-FREE HOTLINE

18. On September 22, 2021, Angeion established the following website devoted to this Settlement: www.broilergrowersantitrustsettlement.com. The home page of the website includes all important dates and deadlines, a summary of Settlement Class members' legal rights and options, as well as general information about the Action and the Settlements. The website includes an "Important Documents" page where the Settlement Agreements, long-form notice, publication notice, and claim form can be found. That page also provides relevant Court orders and court filings, including Plaintiffs' Motion and Memorandum of Law in Support of Plaintiffs' Motion for an Award of Attorneys' Fees, Reimbursement of Litigation Expenses, and an Award of Interim Service Awards to Class Representatives, which was posted on November 6, 2021. Additionally, the site provides answers to frequently asked questions and a "Contact Us" page whereby Settlement Class Members can submit questions regarding the Settlement to a dedicated email address: Info@BroilerGrowersAntitrustSettlement.com. Visitors to the settlement website can download a copy of the long form notice, claim form, and other pertinent documents. Members of

the Settlement Class can also submit claim forms via the Settlement Website.

19. As of December 15, 2021, the settlement website has had 7,426 page views, 4,165 unique visitors and 5,032 sessions, which represents the number of individual sessions initiated by all users. Google defines a session as a group of user interactions within a website that take place within a given time frame. For example, a single session can contain multiple page views, events, social interactions, and ecommerce transactions, provided they occur relatively simultaneously.

20. On September 22, 2021, Angeion established the following toll-free line dedicated to this case: 1-833-907-3700. The toll-free line utilizes an interactive voice response (“IVR”) system to provide members of the Settlement Class with responses to frequently asked questions, the ability to request a claim form, and includes information about filing a claim and important dates and deadlines. The toll-free line is accessible 24 hours a day, 7 days a week, and has an option to speak with a live operator during normal business hours.

21. As of December 15, 2021, the toll-free line has received 688 calls totaling 4,770 minutes.

CLAIM FORM SUBMISSIONS

22. The deadline for members of the Settlement Class to submit a claim form is April 10, 2022. Submission of a claim form is not necessary to receive payment from the Settlements. Rather, Settlement Class members who were sent a pre-populated claim form will automatically receive a *pro rata* payment unless they exclude themselves from the Settlements. As of December 3, 2021, Angeion has received a total of 649 claim form submissions and/or updated address forms. These claim form submissions are still subject to final audits, including the full assessment of each claim’s validity and a review for duplicate submissions. Angeion will continue to keep the parties apprised of the number of claim form submissions received.

REQUESTS FOR EXCLUSION & OBJECTIONS TO THE SETTLEMENT

23. The deadline for members of the Settlement Class to request exclusion from the Settlement(s) or object to the Settlement(s) was December 6, 2021. As of December 16, 2021, Angeion has received 2 timely requests for exclusion from the Perdue Settlement only, 25 timely requests for exclusion from the Tyson Settlement only, and 30 timely requests for exclusion from

both the Perdue and Tyson Settlements. Angeion also received one late request for exclusion from both the Perdue and Tyson Settlements. Angeion will inform the parties of any additional requests for exclusion it receives. A list containing the names of the individuals or entities requesting exclusion is attached hereto as **Exhibit I**, as well as an indication of whether they are timely.

24. Angeion has been made aware of one objection to the Settlements, which was lodged by an excluded party and is reflected on the MDL docket (*see* ECF No. 200).

CONCLUSION

25. The notice plan described herein included direct notice to all reasonably identifiable members of the Settlement Class via mail, coupled with a strategic print publication campaign, programmatic display advertising, social media advertising, a press release, and the implementation of a dedicated Settlement Website and toll-free hotline to further inform members of the Settlement Class of their rights and options pursuant to the terms of the Settlement.

26. It is my professional opinion that the notice plan provided full and proper notice to members of the Settlement Class before the claims, opt-out, and objection deadlines. Moreover, it is my opinion that the notice plan was the best notice that is practicable under the circumstances and fully comported with due process and Federal Rule of Civil Procedure 23.

I hereby declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

At Any Time Between January 27, 2013, and December 31,
2019, Two Class Action Settlements Totaling
\$35,750,000 May Affect Your Legal Rights.**

A federal court authorized this notice. This is not a solicitation from a lawyer.

- A class action lawsuit has been filed against companies that contract with Broiler chicken growers to provide Broiler¹ Grow-Out Services,² alleging that Defendants³ and certain other companies (known as Alleged Co-Conspirators)⁴ unlawfully conspired to artificially reduce the amount the Defendants and Alleged Co-Conspirators paid to Broiler chicken growers for Broiler Grow-Out Services in violation of the federal antitrust laws and the Packers and Stockyards Act (“PSA”). Broiler Grow-Out Services refers to arrangements in which Broiler chicken growers grow young chickens until the birds reach slaughtering age, under contract with companies that supply the young birds, commonly referred to as “Integrators.”
- Defendants Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc. (together “Tyson”) have agreed to pay \$21 million into a Settlement Fund to settle the class action antitrust and PSA claims against them and to provide certain cooperation to Plaintiffs in this litigation as it continues against the remaining Defendants (the “Tyson Settlement”). Tyson denies that it did anything wrong and has asserted defenses to the claims against it.
- Defendant Perdue Foods, LLC (“Perdue”) has agreed to pay \$14.75 million into a Settlement Fund to settle the class action antitrust and PSA claims against it and to provide certain cooperation to Plaintiffs in this litigation against the remaining Defendants (the “Perdue

¹ “Broilers” excludes specialty chicken that is grown, processed, and sold according to halal, kosher, free range, pasture-raised, or organic standards. Specialty chicken does not include chicken raised without antibiotics, such as No Antibiotics Ever (“NAE”) or Antibiotic Free (“ABF”) standards. “Broilers” as used herein includes NAE and ABF chicken. *See* Settlement Agreements § 1(d).

² “Broiler Grow-Out Services” means Broiler chicken growing services.

Settlement” and together with the Tyson Settlement, the “Settlements”). In addition, Perdue has agreed to certain restrictions on its ability to enforce arbitration provisions against Broiler chicken growers. Perdue Settlement § 10(e). Perdue denies that it did anything wrong and has asserted defenses to the claims against it.

- The Settlement Classes for both the Tyson Settlement and the Perdue Settlement (together, the “Settlement Classes”) are defined the same. Each Settlement Class is defined as all individuals and entities in the United States and its territories that were paid to provide Broiler Grow-Out Services by any Defendant or any Alleged Co-Conspirator, or by a division, subsidiary, predecessor, or affiliate of a Defendant or Alleged Co-Conspirator, at any time between January 27, 2013, through December 31, 2019 (the “Class Period”).
- The Court in charge of the lawsuit will decide whether to finally approve the Settlements. If approved by the Court, the Settlements will resolve all of the claims of the members of the Settlement Classes against Tyson and Perdue and release Tyson and Perdue from all liability for the claims alleged against them in the lawsuit, including related claims or claims referred to in the lawsuit. All the claims against the non-settling Defendants in the lawsuit will continue.

BASIC INFORMATION

1. Why did I receive a Notice?

A federal court directed this notice because it has preliminarily approved the proposed class action Settlements with Tyson and Perdue. You have the right to know about the Settlements, your rights, and your options before the Court decides whether to grant final approval to the Settlements.

The Honorable Chief Judge Robert J. Shelby is overseeing this lawsuit, which is called *In Re Broiler Chicken Grower Antitrust Litigation (No. II)*, No. 6:20-md-02977-RJS-CMR (the “Action”), in the United States District Court for the Eastern District of Oklahoma (the “Court”).

You received this Notice because you may be a member of the Settlement Classes. **To find out if you are a member of the Settlement Classes, see Question 5 below.**

The people who sued are called the Plaintiffs. The companies they sued are called Defendants. The Defendants are Tyson; Perdue; Pilgrim's Pride Corporation ("Pilgrim's Pride"); Koch Foods, Inc.; Koch Meat Co. Inc. d/b/a Koch Poultry Co. (together, "Koch"); Sanderson Farms, Inc.; Sanderson Farms, Inc. (Food Division); Sanderson Farms, Inc. (Processing Division); and Sanderson Farms, Inc. (Production Division) (together, "Sanderson"), including each of their past, present, and future, direct and indirect, corporate parents (including holding companies), owners, subsidiaries, related entities, affiliates, associates, divisions, departments, joint ventures, predecessors, and/or successors. As noted herein, Tyson and Perdue are the Defendants that have agreed to settle with Plaintiffs.

"Alleged Co-Conspirator" means a person or entity that Plaintiffs alleged participated in the conspiracy but are not named as Defendants in this Action. They are: Agri Stats, Inc., Foster Farms, Mountaire Farms, Wayne Farms, George's, Inc., Peco Foods, Inc., House of Raeford Farms, Simmons Foods, Keystone Foods Fieldale Farms Corp., O.K. Industries, Case Foods, Marshall Durbin Companies, Amick Farms, Inc., Mar-Jac Poultry, Inc., Harrison Poultry, Inc., Claxton Poultry Farms, and Norman W. Fries, Inc., including each of their past, present, and future, direct and indirect, corporate parents (including holding companies), owners, subsidiaries, related entities, affiliates, associates, divisions, departments, joint ventures, predecessors, and/or successors.

2. What is this lawsuit about?

Plaintiffs in this Action are Broiler chicken growers who provided Broiler Grow-Out Services. They grow young chickens bred for meat under contract with Integrators. The Plaintiffs represent a group of Broiler chicken growers who have similar claims against the Defendants. For purposes of these Settlements, this group is referred to as the Settlement Classes (*see* Questions 3 and 5 for more information about the Settlement Classes and whether you are part of them).

This lawsuit alleges, among other things, that Defendants entered into a conspiracy that violated federal antitrust law and the PSA by agreeing with one another and the Alleged Co-Conspirators to reduce the prices paid to Broiler chicken growers, causing the growers to be underpaid for Broiler Grow-Out Services.

All Defendants deny Plaintiffs' antitrust and PSA claims and have asserted defenses to those claims. However, Plaintiffs have reached a Settlement with Tyson for a total of \$21,000,000 and with Perdue for a total of \$14,750,000 (for a total of \$35,750,000) plus cooperation in the prosecution of Plaintiffs' claims against the non-settling Defendants. In addition, Perdue has agreed to certain restrictions on its ability to enforce arbitration provisions against Growers. *See* Perdue Settlement § 10(e). Tyson and Perdue both deny any wrongdoing.

The Tyson and Perdue Settlements do not impact the claims against Pilgrim's Pride, Sanderson, and Koch; this lawsuit continues against them. If the Plaintiffs reach Settlements with the other Defendants or the Plaintiffs receive a favorable money judgment against the other Defendants at trial, you will receive additional notice of those Settlements and/or that judgment.

It is possible, however, that the remaining Defendants will prevail against the Plaintiffs and there will be no further money to distribute to the members of the Settlement Classes. There is no guarantee about the outcome of this Action.

Important information about the Action and these Settlements will be posted on the website, www.BroilerGrowersAntitrustSettlement.com, as it becomes available. Please check the website regularly to be kept informed about any future developments or important new case documents.

3. What is a class action?

In a class action, the Plaintiffs act as “class representatives” and sue on behalf of themselves and other people or entities who have similar claims. This group is called the “class,” and the people and entities in the class are called “class members.” A single court resolves the issues for all class members, except for people who exclude themselves from the class.

In this Action, the Class Representatives are: Haff Poultry, Inc.; Nancy Butler; Johnny Upchurch; Jonathan Walters; Myles B. Weaver; Melissa Weaver; Marc McEntire; Karen McEntire; and Mitchell Mason. They are or were all Broiler chicken growers.

4. Why did the parties settle this lawsuit?

The Court did not decide in favor of Plaintiffs, Tyson, or Perdue. Instead, Plaintiffs and Tyson and Plaintiffs and Perdue have agreed to their respective Settlement Agreements to avoid the costs and risks of continued litigation. The Class Representatives and their attorneys think the Settlements are an excellent result, which will provide members of the Settlement Classes with monetary compensation and cooperation from both Tyson and Perdue that Settlement Class Counsel believe will help them prosecute Plaintiffs’ claims against the remaining Defendants.

WHO IS IN THE CLASSES?

5. How do I know if I am a Member of the Settlement Classes?

You are a member of the Settlement Classes if you are a person or entity in the United States or its territories that was paid for Broiler Grow-Out Services by any Defendant or Alleged Co-Conspirator (or by a division, subsidiary, predecessor, or affiliate of a Defendant or Alleged Co-Conspirator) at any time between January 27, 2013, through December 31, 2019.

You are a member of the Settlement Classes and eligible to participate in the Tyson and Perdue Settlements if you provided Broiler Grow-Out Services for any one of the Defendants or Alleged Co-Conspirators during the Class Period. Because this case involves conspiracy claims, it is not necessary for you to have provided Broiler Grow-Out Services for Tyson or Perdue to receive a payment.

6. What should I do if I am still not sure whether I am included?

If you are not sure whether you are included in the Settlement Classes, you can ask for free help by calling the Settlement Administrator at 1-833-907-3700 or email Info@BroilerGrowersAntitrustSettlement.com for more information.

An operator is available to answer your questions during normal business hours.

THE SETTLEMENTS

7. What do the Settlements provide?

Tyson has agreed to pay \$21,000,000 into a Settlement Fund and Perdue has agreed to pay \$14,750,000 into a Settlement Fund to settle the lawsuit against them in exchange for the release by the members of the Settlement Classes of the claims against them in this Action. In addition, the Settlements will help the Plaintiffs pursue their claims against the remaining Defendants because Tyson and Perdue have agreed to provide certain cooperation to Plaintiffs in the litigation against the remaining Defendants, and Perdue has agreed to certain restrictions on its ability to enforce arbitration provisions against Growers. Perdue Settlement § 10(e). You can view the Settlement Agreements, including the release of claims, at the Settlement Website www.BroilerGrowersAntitrustSettlement.com.

A portion of the Settlement Funds, subject to approval by the Court, will be used to pay Settlement Class Counsel for their time in pursuing this lawsuit, to reimburse them for out-of-pocket costs they have incurred, and for incentive awards to the Class Representatives. Amounts remaining after deductions for attorneys' fees, litigation costs and other expenses, and incentive awards (*see* Questions 3, 15) will be distributed to members of the Settlement Classes who do not exclude themselves from the Settlements *pro rata*, based on their qualifying payments from Defendants and Alleged Co-Conspirators for the provision of Broiler Grow-Out Services (*see* Question 10).

Additional details about the Settlements are contained in the Settlement Agreements, which are available at www.BroilerGrowersAntitrustSettlement.com.

8. How will payments be calculated?

At this time, it cannot be known how much you will receive from the Settlements.

The amount remaining in the Settlement Funds after deductions for attorneys' fees and litigation expenses, Class Representative service awards, and costs for notice and Settlement administration, will be distributed *pro rata* to eligible members of the Settlement Classes with valid claims based on payments received from Defendants and Alleged Co-Conspirators for Broiler Grow-Out Services. That means your payment will be based on the total payments you received from Defendants and Alleged Co-Conspirators during the Class Period as a proportion of the total payments received by all eligible members of the Settlement Classes with valid claims.

As a simple example, if a member of the Settlement Classes received payments totaling \$100 dollars, and the total payments to all eligible members of the Settlement Classes with valid claims is \$10,000, that member would be entitled to 1% of the total amount to be distributed.

The amount you receive will depend on how much the Court allows in attorneys' fees and litigation expenses, Class Representative service awards, costs for notice and Settlement administration, how many valid claims are submitted by eligible members of the Settlement Classes, and the total amount of payments made for Broiler Grow-Out Services during the Class Period to eligible members of the Settlement Classes with valid claims.

As described below (*see* Questions 21-23), the Court will conduct a Fairness Hearing and decide whether a) to finally approve the Settlements, b) to approve the proposed *pro rata* allocation plan; and c) to approve Settlement Class Counsel's request for fees and reimbursement of costs and requests for incentive awards to the Class Representatives.

For information on how to make a claim, *see* Question 9 and www.BroilerGrowersAntitrustSettlement.com.

HOW TO GET A PAYMENT—MAKING A CLAIM

9. How can I get a payment?

If you are a member of the Settlement Classes, there are two ways for you to receive a payment from the Settlements:

1. **Pre-Populated Claims Forms with Pre-Populated Payment Information:** If you received a Pre-Populated Claim Form that already contains pre-populated payment information and you have not excluded yourself from the Settlements, you do not need to do anything further to receive a payment. This payment information was provided by Defendants and Alleged Co-Conspirators from their payment records. Your *pro rata* share will be calculated based on the payment amounts in your Claim Form. If you agree with the pre-populated payment information or

otherwise do not respond to the Pre-Populated Claim Form, your pro rata share will be determined based on the pre-populated amount.

If you disagree with the pre-populated payment information in the Pre-Populated Claim Form *or* if you believe the information in the Pre-Populated Claim Form is incomplete (for example, it is missing payments you received during certain years), you have the right to submit a corrected Claim Form, which must be accompanied by supplemental documentation supporting your additions or clarifications (such as settlement sheets for Broiler flocks you raised or yearend statements from the Integrator with whom you contract or contracted) postmarked by **April 10, 2022**. If validated by the Settlement Administrator, your *pro rata* share will be based on this corrected or supplemental information. Please follow the instructions on the Pre-Populated Claim Form to submit a corrected and/or supplemental Claim Form.

2. **Unpopulated Claims Forms without Pre-Populated Payment Information:** If you have received a Claim Form that does not include any pre-populated payment information (or you did not receive a Claim Form at all) and you want to receive a payment, you **MUST** complete and submit a Claim Form, postmarked by **April 10, 2022**. If your Claim Form does not have pre-populated payment information this means that the Settlement Administrator does not have information from Defendants or Alleged Co-Conspirators about the amount you were paid for Broiler Grow-Out Services during the Class Period. If you are or were a Grower for Wayne Farms, Fieldale Farms, Claxton Poultry, Case Farms, or Keystone Foods, it is more likely you received an Unpopulated Claim Form or no Claim Form at all and will have to complete and submit a Claim Form to receive a payment.

An Unpopulated Claim Form can be obtained at the Settlement Website www.BroilerGrowersAntitrustSettlement.com. You have two options for completing and submitting an Unpopulated Claim Form.

First, if you have information on your total payments for Broiler Grow-Out Services by year, provide that information with supporting documentation of those payments. If validated by the Settlement Administrator, your *pro rata* share will be based on the payment information you provide.

Second, if you do not have information or documentation regarding the total payments you received for Broiler Grow-Out Services, you must provide the years in which you provided Broiler Grow-Out Services, the name of the company (or companies) for which you provided Broiler Grow-Out Services in each year, the number of farms you operated (if more than one), and for any partial years you provided Broiler Grow-Out Services (for example, if you quit raising Broilers in the middle of a year covered by the Class Period) the number of flocks you grew during each partial year. If validated by the Settlement Administrator, your *pro rata* share will be based on that information along with available industry payment data.

Please follow the instructions on the Unpopulated Claim Form.

If you did not receive a Pre-Populated Claim Form and you do not complete and submit a valid Claim Form postmarked by the deadline, you will not receive a payment from the Settlement Funds, but you will still give up the right to sue Tyson and Perdue in a separate lawsuit related to the legal claims these Settlements resolve.

You should mail your corrected or supplemented Pre-Populated Claim Form or completed Unpopulated Claim Form to the address below, postmarked no later than **April 10, 2022** or upload it to the Settlement Website at www.BroilerGrowersAntitrustSettlement.com using the instructions there. You can also request that a Claim Form be sent to you by calling the Settlement Administrator or by sending a written request to the Settlement Administrator by mail or by email:

If you have questions regarding your Claim Form or participating in the Settlements, contact the Settlement Administrator using the contact information set forth immediately above.

10. When will I get my payment?

Even if the Court finally approves the Settlements and approves the allocation and distribution plan, there still may be appeals of those decisions. The Settlement Funds cannot be distributed until all appeals are resolved. It is hard to estimate how long that might take. Further, even if there are no appeals, it is difficult to predict how long the claims process will take. Further, it is possible that other Defendants may settle the claims against them and that distribution of the proceeds from the Tyson and Perdue Settlements may be delayed so that the proceeds from multiple settlements may be distributed at the same time.

Updates regarding the Settlements and when payments will be made will be posted on the Settlement website www.BroilerGrowersAntitrustSettlement.com.

11. Will Tyson or Perdue, any of the other Defendants, or any of the Alleged Co-Conspirators know that I have submitted a claim or received an award from the Settlements?

No. All information you provide in connection with receiving an automatic payment or submitting a Claim Form in this action will be maintained strictly confidentially and will not be made available publicly or to any Defendant or Alleged Co-conspirator. Only Settlement Class Counsel, the Court, and the Settlement Administrator will have access to any information you provide, including your identity, in connection with receiving an automatic payment or submitting a Claim Form in this action.

If, however, you exclude yourself from either or both of the Settlements or object to either or both of the Settlements, the filings of exclusions and objections with the Court will publicly reveal your identity.

12. What happens if I move or change my mailing address?

If you have moved since you received this Notice, you may update your address with the Settlement Administrator by completing the "Claimant Information" section of the Pre- or Un-Populated Claim Form and by mailing or emailing completed information to:

You may update your mailing address even if you are not disputing or supplementing any of the pre-populated payment information in the Pre-Populated Claims Form you received.

You may also update your address at *any time* during this litigation by contacting the Settlement Administrator at the above address to notify them of your new mailing address. Because there may be additional settlements reached with the other Defendants or there may be a judgment in Plaintiffs' favor, it is important that the Settlement Administrator have updated address information so they may send you notice of such settlements or judgment.

THE LAWYERS REPRESENTING YOU

13. Do I have a lawyer in the case?

Yes. The Court appointed the law firms of Hausfeld LLP and Berger Montague PC ("Settlement Class Counsel") to represent you and the other members of the Settlement Classes.

They can be contacted at:

Eric L. Cramer BERGER MONTAGUE PC 1818 Market Street, Suite 3600 Philadelphia, PA 19103	Melinda R. Coolidge HAUSFELD LLP 888 16th Street, NW, Suite 300 Washington, DC 20006	Gary I. Smith, Jr. HAUSFELD LLP 325 Chestnut Street, Suite 900 Philadelphia, PA 19106
--	---	--

You will not be charged for their services or for contacting them. If you want to be represented by your own lawyer, you may hire one at your own expense. See Question 14.

14. Should I get my own lawyer?

You do not need to hire your own lawyer because Settlement Class Counsel is working on your behalf at no out of pocket charge to you. If you want your own lawyer, you may hire one, but you will be responsible for any payment for that lawyer's services. For example, you can ask your own lawyer to appear in Court for you if you want someone other than Settlement Class Counsel to speak for you. You may also appear for yourself at the Fairness Hearing without a lawyer. See Questions 21-23.

15. How will the lawyers be paid?

You do not have to pay Settlement Class Counsel. Settlement Class Counsel, who have not yet been paid for their services or reimbursed for their expenses, will seek approval from the Court for a) an award of attorneys' fees up to one third of the gross Settlements amounts, b) reimbursement for litigation costs they advanced in pursuing the Claims up to \$3,000,000, also from the Settlement Funds, and c) incentive awards to the Class Representatives up to \$50,000 each. The fees will compensate Settlement Class Counsel for investigating the facts, litigating the case, and negotiating and administering the Settlements over the last five years. The Court will decide the amount of fees and/or expenses to award.

Settlement Class Counsel will file their motion for fees, reimbursement of litigation expenses, and incentive awards at least 30 days before the deadline to object to the Settlements. The motion will be filed on the Settlement Website at www.BroilerGrowersAntitrustSettlement.com, where you will also be able to review it.

16. If I participate in the Settlements, can I sue Tyson or Perdue for the same thing later?

No. Unless you exclude yourself from the Tyson Settlement (See Question 17), you will give up the right to sue Tyson related to the legal claims the Tyson Settlement resolves. Unless you exclude yourself from the Perdue Settlement, you will give up the right to sue Perdue related to the legal claims the Perdue Settlement resolves.

Details on the claims that you release unless you exclude yourself are detailed in the Tyson Settlement and Perdue Settlement, which are available at www.BroilerGrowersAntitrustSettlement.com.

EXCLUDING YOURSELF FROM THE SETTLEMENT CLASS

17. Can I get out of the Settlement Class?

If you do not want to receive any benefits from the Settlements, and you want to keep your right, if any, to sue Tyson or Perdue on your own about the legal issues in this Action, then you must exclude yourself from the Settlement Class for the Tyson Settlement, the Perdue Settlement, or both Settlements. This is called “opting out” of the Settlement Class. The deadline for requesting exclusion from these Settlements is **December 6, 2021** (postmarked).

To exclude yourself from the Settlement, you must submit a written request by mail. Your request for exclusion must include:

- The name of the Class member wishing to opt out;
- Their current address;
- A statement that the opt out is a Settlement Class member and was compensated for Broiler Grow-Out Services by a Defendant or Alleged Co-Conspirator, or by a division, subsidiary, predecessor, or affiliate of a Defendant or Alleged Co-Conspirator during the Class Period, along with documentation showing membership in the Settlement Class;
- an express statement that they wish to be excluded from either (a) the Tyson Settlement, (b) the Perdue Settlement, or (c) both Settlements in *In re Broiler Chicken Grower Antitrust Litigation (No. II)*, No. 6:20-md-02977-RJS-CMR; and
- The Class member’s signature.

Your request(s) for exclusion must be mailed to the Settlement Administrator with a postmarked date on or before **December 6, 2021**:

In re Broiler Chicken Grower Antitrust Litigation
ATTN: Exclusion Request
PO Box 58220
Philadelphia, PA 19102

If you exclude yourself from a Settlement or both Settlements, you are telling the Court you do not want to be part of the Settlement(s). You will not be eligible to receive any money from each Settlement you exclude yourself from. You will not be eligible to object to each Settlement you exclude yourself from. For each Settlement you exclude yourself from, you will keep any rights you currently have to separately sue Tyson and/or Perdue related to the legal claims the Settlements resolve.

OBJECTING TO THE SETTLEMENTS

18. How do I tell the Court if I do not like the Settlement?

If you are a member of the Settlement Classes and do not exclude yourself from the Tyson Settlement, you may object to the Tyson Settlement. If you are a member of the Settlement Classes and do not exclude yourself from the Perdue Settlement, you may object to the Perdue Settlement. If you are a member of the Settlement Classes and do not exclude yourself from either Settlement, you can object to both Settlements. If you are a member of the Settlement Classes and do not exclude yourself from one or both Settlements, you may also object to Settlement Class Counsel's request for attorney's fees, unreimbursed litigation costs and expenses, and service awards for the Class Representatives, and the proposed plan of allocation.

You cannot ask the Court to modify the Settlements; the Court can only approve or deny the Settlements.

If you wish to object to one or both of the proposed Settlements, the proposed plan of allocation or distribution, or Settlement Class Counsel's request for attorney's fees, unreimbursed litigations costs and expenses, and service awards for the Class Representatives, you must do so in writing. To object, you must file a document with the Court by **December 6, 2021**, saying that you object to the Settlements in *In re Broiler Chicken Grower Antitrust Litigation No. II*, No. 6:20-md-02977-RJS-CMR. You must include:

- The objector's full name, address, and telephone number;
- A statement saying that the objector objects to the Settlements, the proposed plan of allocation, the request for fees, expenses and service awards, or another component in *In re Broiler Chicken Grower Antitrust Litigation (No. II)*, No. 6:20-md-02977-RJS-CMR;
- Whether the objector plans to appear at the Fairness Hearing;
- Proof of membership in the Settlement Classes, including any documentation evidencing the objector was compensated for Broiler Grow-Out Services by a Defendant or Alleged Co-Conspirator, or by a division, subsidiary, predecessor, or affiliate of a Defendant or Alleged Co-Conspirator, during the Class Period;
- The specific reasons supporting the objection, along with any supporting materials or documents that you want the Court to consider;
- Whether the objector is objecting to the Perdue Settlement, the Tyson Settlement, or both;
- The identity of the objector's legal counsel, if any; and
- The objector's signature.

You must mail the written objection by First Class U.S. Mail, postmarked no later than **December 6, 2021**, to the Court at the following address: United States District Court for the Eastern District of Oklahoma, 101 N. 5th St., Muskogee, OK 74401.

You must also mail your objection by First Class U.S. Mail to Settlement Class Counsel, Counsel for Tyson, and Counsel for Perdue at each of the following addresses postmarked by **December 6, 2021**:

Settlement Class Counsel	Settlement Class Counsel

Counsel for Perdue
Lisa Jose Fales VENABLE, LLP 600 Massachusetts Ave, NW Washington, DC 20001

If your objection is not postmarked by **December 6, 2021**, and does not include the information listed above, it may be rejected by the Court.

You may also appear at the Fairness Hearing, either in person or through your own attorney. See Questions 14, 21-23. If you wish to appear at the Fairness Hearing you must include a statement in your written objection that you intend to appear at the hearing and wish to be heard. If you appear through your own attorney, you are responsible for paying that attorney.

19. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you disagree with something about the Settlements while excluding yourself tells the Court that you do not wish to participate in the Settlements at all. You cannot object to a Settlement if you exclude yourself from it. If you exclude yourself from one or both Settlement(s), you cannot object to the Settlement(s) you excluded yourself from because the Settlement(s) no longer affect you.

20. Will anyone other than the Court and the lawyers know that I have objected or excluded myself?

Yes. If you exclude yourself or object to one or both Settlement(s), the filings of exclusions and objections with the Court will publicly reveal your identity.

THE COURT'S FAIRNESS HEARING

21. When and where will the Court decide whether to approve the Settlements with Tyson and Perdue?

The Court will hold a Fairness Hearing at **10:00 a.m. CT on February 18, 2022**, at the United States District Court for the Eastern District of Oklahoma, located at 101 N 5th St, Muskogee, OK 74401. If the Court determines that it is appropriate, the hearing may be conducted remotely by telephone or other electronic means. If the Court decides to hold the hearing remotely, Settlement Class Counsel will post that information on the website devoted to the litigation www.BroilerGrowersAntitrustSettlement.com and provide any Settlement Class member that has informed the Court that it intends to participate at the hearing with the information required to participate remotely.

The Court may reschedule the Fairness Hearing or change any of the deadlines described in this notice. The date of the Fairness Hearing may change without further notice. Be sure to check the website, www.BroilerGrowersAntitrustSettlement.com, for news of any such changes.

At this hearing, the Court will consider whether the Settlements are fair, reasonable, and adequate. The Court will also consider Settlement Class Counsel's request for attorney's fees of up to one third of the gross Settlement Funds, unreimbursed litigation costs and expenses not to exceed \$3,000,000, and service awards for the Class Representatives up to \$50,000 each, and the proposed plan of allocation and distribution. If there are objections, the Court will consider them at the hearing. The Court may decide to permit those Settlement Class members who have previously notified the Court that they wished to appear to speak at the hearing.

At or after the Fairness Hearing, the Court will decide whether to finally approve the Settlements and the related matters raised by Settlement Class Counsel.

22. Do I have to come to the Fairness Hearing?

No. Settlement Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish or pay your own lawyer to attend, but it is not necessary. If you send an objection, you do not have to come to Court to talk about it. So long as you mailed your written objection postmarked by **December 6, 2021**, the Court will consider it.

23. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must include a statement in your written objection (*see* Question 18) that you intend to appear at the hearing. Be sure to include your name, address, telephone number, and signature as well. You cannot speak at the hearing if you excluded yourself from both Settlement Classes.

If you do not object to the Settlements but still wish to speak at the Fairness Hearing, you must send a letter or other written document that expressly states that the letter or document is your "Notice of Intention to Appear" in *In Re Broiler Chicken Grower Antitrust Litigation (No. II)*, No. 6:20-md-02977-RJS-CMR. Include your name, address, telephone number, and your signature. You must send your "Notice of Intention to Appear" to the addresses listed in Question 18, postmarked no later than **December 6, 2021**.

The Court will decide whether you will be allowed to speak at the Fairness Hearing.

IF I DO NOTHING

24. What happens if I do nothing at all?

If you do nothing, you will remain a member of the Settlement Classes and will have released all your claims against Tyson and Perdue related to the claims in this Action.

If you received a Pre-Populated Claim Form that already has information about the total payments you received from any Defendant or Alleged Co-Conspirator on the Claim Form, and you do nothing, you will still receive a payment. But you may correct or supplement that information by returning the Claim Form if you wish (*see* Question 9.1).

If you received an Unpopulated Claim Form that does not include any information about the total payments you received from any Defendant or Alleged Co-Conspirator, or you did not receive a Claim Form at all, and you do nothing, you will not have the right receive any portion of the Settlement Funds. You must complete and submit a Claim Form to the Settlement Administrator to receive a payment (*see* Question 9.2).

25. Are more details about the Settlements available?

Yes. This notice summarizes the Settlements with Tyson and Perdue. BROILER CHICKEN GROWER PRE-POPULATED CLAIM FORM

Compensation records maintained by the Defendants and Alleged Co-Conspirators indicate that you are a member of the Settlement Classes in this action, and are therefore eligible to receive payments from Settlements with Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc. (collectively referred to as “Tyson”) and Perdue Foods, LLC (“Perdue”).

The Settlement Classes each include: “All individuals and entities in the United States and its territories that were compensated for Broiler¹ Grow-Out Services² by a Defendant or Alleged Co-Conspirator, or by a division, subsidiary, predecessor, or affiliate of a Defendant or Alleged Co-Conspirator, at any time during the period of January 27, 2013, through December 31, 2019 (the “Class Period”). Of note, you do not need to have provided Broiler Grow-Out Services for Tyson or Perdue to receive a payment from the Tyson or Perdue Settlement Fund, you need only have provided Broiler Grow-Out Services for any Defendant or Alleged Co-Conspirator.

Defendants and Alleged Co-Conspirators have provided to Settlement Class Counsel the total compensation that you were paid by one or more of them for Broiler Grow-Out Services between January 27, 2013, and December 31, 2019. Your payment from the Tyson and Perdue Settlement Funds will be based on that information unless you dispute it.

Please follow the steps on the following pages below to review and submit this Claim Form. If you do nothing, you will still be eligible for and receive a payment from the Settlements based on the information contained on this Claim Form, but you will waive the right to contest any information contained on this Form. If you want to participate in one Settlement, but not both, you may do so by submitting a notice of exclusion for the Settlement you do not want to participate in. Submitting this form does not preclude you from excluding yourself from the other Settlement. If you exclude yourself from both Settlements, you will not be able to receive a

Unless you received a Pre-Populated Claim Form, you must fill out, complete, and submit this Claim Form. If you believe you are a member of the Settlement Classes in this action and want to be eligible to share in one or both of the Settlements with Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc. (collectively referred to as “Tyson”) and Perdue Foods, LLC (“Perdue”). The Settlement Classes each include: “All individuals and entities in the United States and its territories that were compensated for Broiler¹ Grow-Out Services² by a Defendant or Alleged Co-Conspirator, or by a division, subsidiary, predecessor, or affiliate of a Defendant or Alleged Co-Conspirator, at any time during the period of January 27, 2013, through December 31, 2019 (the “Class Period”). Of note, you do not need to have provided Broiler Grow-Out Services for Tyson or Perdue to receive a payment from the Tyson or Perdue Settlement Fund, you need only have provided Broiler Grow-Out Services for any Defendant or Alleged Co-Conspirator.

Unless you received a Pre-Populated Claim Form, you must complete this Claim Form and mail it to the address listed on the bottom of this form (postmarked by April 10, 2022) or submit it through the Settlement website www.BroilerGrowersAntitrustSettlement.com by April 10, 2022 to be eligible to receive a payment from the Tyson and Perdue Settlement Funds. If you want to participate in one Settlement, but not both, you may do so by submitting a notice of exclusion for the Settlement you do not want to participate in. If you wish to participate in one Settlement, but not both, you must still submit this form (unless you received a Pre-Populated Claim Form) to receive a payment from the Settlement you do wish to participate in and exclude yourself from the Settlement you do not wish to participate in, otherwise you will still be bound by both Settlements. If you exclude yourself from both Settlements, you will not be able to receive a payment from either Settlement, regardless of whether you submit this Claim Form.

Note, all information contained on this form and that you provide for this form will be maintained confidentially and will not be made available publicly or to any Defendant or Alleged Co-Conspirator. Only Settlement Class Counsel, the Court, and the Settlement Administrator will have access to any information you provide, including your identity, unless you object to or exclude yourself from one or both Settlements, in which case your identity will be publicly available.

¹ “Broilers” excludes specialty chicken that is grown, processed, and sold according to halal, kosher, free range, pasture-raised, or organic standards. Specialty chicken does not include chicken raised without antibiotics, such as No Antibiotics Ever (“NAE”) or Antibiotic Free (“ABF”) standards. “Broilers” as used herein includes NAE and ABF chicken. *See* Settlement Agreements § 1(d).

² “Broiler Grow-Out Services” means Broiler chicken growing services.

For purposes of determining a Settlement payment, the amount you were compensated includes all monetary remuneration provided to you for the provision of Broiler Grow-Out Services, inclusive of all surcharges, allowances, and incentive payments, and any other components of Grower compensation.

**OPTION TWO: PROVIDE INFORMATION FOR THE SETTLEMENT ADMINISTRATOR TO
ESTIMATE YOUR PAYMENTS OVER THE CLASS PERIOD**

Option Two: If you do not know what the total amount you were paid is and/or you do not have supporting documentation of those amounts such as settlement sheets for the Broiler flocks you raised, the Settlement Administrator can generate an estimate of your claim amount based on available data.

If you provide (1) the name of the Defendant(s) or Alleged Co-Conspirator(s) for which you grew Broilers, (2) the years in which you provided those services, (3) the number of farms you operated, and (4) the number of flocks you grew in a given year *if* you performed Broiler Grow-Out Services for a partial year (e.g., half a year), then if your claim is validated by the Settlement Administrator, your *pro rata* payment will be calculated based on available industry data.

Outage highlights how vital Facebook has become

Millions worldwide depend on social media for income, survival

Mae Anderson
ASSOCIATED PRESS

NEW YORK – The six-hour outage at Facebook, Instagram and WhatsApp was a headache for many casual users but far more serious for the millions of people worldwide who rely on the social media sites to run their businesses or communicate with relatives, fellow parents, teachers or neighbors.

When all three services went dark Monday, it was a stark reminder of the power and reach of Facebook, which owns the photo-sharing and messaging apps.

Around the world, the breakdown at WhatsApp left many at a loss. In Brazil, the messaging service is by far the most widely used app in the country, installed on 99% of smartphones, according to tech pollster Mobile Time.

WhatsApp has become essential in Brazil to communicate with friends and family, as well as for a variety of other tasks, such as ordering food. Offices, various services and even the courts had trouble making appointments, and phone lines became overwhelmed.

Hundreds of thousands of Haitians in their homeland and abroad fretted over the WhatsApp outage.

Many of the country's more than 11 million people depend on it to alert one another about gang violence in particular neighborhoods or to talk to relatives in the U.S. about money transfers and other important matters. Haitian migrants traveling to the U.S. rely on it to find each other or share key information such as safe places to sleep.

Nelzy Mireille, a 35-year-old unemployed woman who depends on money sent from relatives abroad, said she stopped at a repair shop in the capital of Port-au-Prince because she thought her phone was malfunctioning.

"I was waiting on confirmation on a money transfer from my cousin," she said. "I was so frustrated."

"I was not able to hear from my love," complained 28-year-old Wilkens Bourgogne, referring to his partner, who was in the neighboring Dominican Republic, buying goods to bring back to Haiti. He said he was concerned about her safety because of the violence in their homeland.

"Insecurity makes everyone worry," he said.

In rebel-held Syria, where the telecommunication infrastructure has been disrupted by war, residents and emergency workers rely mostly on internet communication.

Naser AlMuhawish, a Turkey-based Syrian doctor

The six-hour outage that hit Facebook, Instagram and WhatsApp was a headache for many casual users but far more serious for businesses, foreign aid providers, hospitals and others who rely on the social media sites. RICHARD DREW/AP

who monitors coronavirus cases in rebel-held territory in Syria, said WhatsApp is the main communication method used with over 500 workers in the field.

They switched to Skype, but WhatsApp works better when internet service is shaky, he said. If there had been an emergency such as shelling that he needed to warn field workers about, there could have been major problems, he said.

"Luckily this didn't happen yesterday during the outage," he said.

But hospitals treating COVID-19 patients in the region were thrown into panic. They lost contact with oxygen suppliers who have no fixed location and are normally reached via WhatsApp. One hospital sent staff members searching for oxygen at nearly two dozen facilities, said Dr. Fadi Hakim of the Syrian American Medical Society.

In Lima, Peru, the breakdown complicated dental technician Mary Mejia's job. Like most Peruvian medical workers, she uses WhatsApp for a multitude of tasks, including scheduling appointments and ordering crowns.

"Sometimes the doctor will be working on a patient and I need to contact a technician for job," she said. "To have to step away and make a phone call? It trips us up. We've become so accustomed to this tool."

Millions of Africans use WhatsApp for all their voice calls, so "people felt they were cut off from the world," said Mark Tinka, a Ugandan who heads engineering at SEACOM, a South Africa-based internet infrastructure company.

Many Africans also use WhatsApp to connect with relatives in other countries. Tinka's stepdaughter lives in Caldwell, Idaho, and lost her father on Sunday, but

could not speak with her family back in Dar Es Salaam, Tanzania, to arrange travel for the funeral.

"It's amazing just how little folks understand the impact of three or four content companies on the utility of the Internet," Tinka said.

Facebook said the outage was due to an internal error related to a "configuration change" but gave no details.

The outage came amid a crisis at Facebook, accused by a whistleblower on "60 Minutes" and on Capitol Hill of profiting from hate and division and suppressing research showing that Instagram contributes to body-image problems, eating disorders and thoughts of suicide in young women.

For small businesses, the outages meant hundreds or thousands of dollars in lost revenue.

Sarah Murdoch runs a small Seattle-based travel company called Adventures with Sarah and relies on Facebook Live videos to promote her tours. She estimated the breakdown cost her thousands of dollars in bookings.

"I've tried other platforms because I am wary of Facebook, but none of them are as powerful for the type of content I create," Murdoch said. As for her losses, "it may only be a few people, but we are small enough that it hurts."

Heather Rader runs How Charming Photography in Linton, Indiana. She takes photographs for schools and sports teams and makes yard signs with the photos. She has her own website but said parents and other customers mostly try to reach her through social media.

She said she might have lost three or four bookings for photo sessions at \$200 a client.

"A lot of people only have a specific window when they can do ordering and booking and things like that," she said. "If they can't get a direct answer, they go to someone else."

Tarita Carnduff of Alberta, Canada, said she connects with other parents on Facebook just about every day, and the outage drove home for her how crucial that support is.

"As a parent with special needs kids, it is the only space I found others in similar positions," she said. "There's a lot of us that would be lost without it."

But for others, the breakdown led them to conclude they need less Facebook in their lives.

Anne Vydra said she realized she was spending too much free time scrolling and commenting on posts she disagreed with. She deleted the Facebook app on Tuesday.

"I didn't want it to come back," said Vydra, who lives in Nashville, Tennessee, and does voiceover work. She added: "I realized how much of my time was wasted."

Lexington, Kentucky; and The Herald-Dispatch in Huntington, West Virginia.

"Jill knows how to build and lead successful teams," said Hollis Towns, the USA TODAY Network's vice president for local news initiatives. "We have outstanding people in Savannah, Athens and Augusta. I'm excited about the possibilities for the future under Jill."

Nevels-Haun is a native of Florence, Kentucky, and a graduate of Western Kentucky University, where she earned a bachelor's degree in journalism.

"Jill is from Kentucky, having launched her journalism career there before heading west. With this move, she's coming back to us in the South. Savannah is a perfect landing spot," said Pam Sander, US Southeast regional editor for Gannett.

Nevels-Haun was introduced to journalists in Savannah, Augusta and Athens in a Wednesday video conference and expressed an eagerness to continue to grow those publications' digital reach. The online audiences for SavannahNow.com, augustachronicle.com and onlineathens.com have expanded significantly in 2021.

"Our focus is on continuing to build our community connections," Nevels-Haun told the staff. "We won't just cover our community, we will collaborate with our community. We will strengthen our journalism and

continue with the focus on watchdog reporting and expand our digital footprint."

Nevels-Haun's experience leading newsrooms focused on watchdog journalism and multimedia storytelling appealed to the reporters and editors in attendance, as did her pledge to build community connections. She is a Rotary Club member and a regular volunteer mentor for youth-based community programs.

"The Savannah Morning News has made significant readership strides over the past year by bringing more depth to our journalism and focusing on content that appeals to broad swaths of our audience, particularly communities of color. I'm excited by the prospect of working with a proven leader such as Jill," said Savannah Morning News Opinion Editor Adam Van Brimmer, who has been leading the newsroom since the departure of Executive Editor Rana Cash in September.

Cash left to become the executive editor of the Charlotte Observer.

Nevels-Haun will be tasked with building on Cash's success in diversifying Savannah's newsroom staff as well as focusing on content that best serves readers, according to Amalie Nash, the senior vice president of local news for the USA TODAY network.

"Rana did some fantastic things and was a great leader so it was important to have another great leader to step in and take that next step," Nash told Savannah staffers during Wednesday's announcement call. "In her current role, Jill has led newsrooms that cover large communities without a lot of resources and kept the focus on the content that matters to readers."

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF OKLAHOMA

If You Were Paid to Provide Broiler Grow-Out Services at Any Time Between January 27, 2013 and December 31, 2019, Two Class Action Settlements Totalling \$35,750,000 May Affect Your Legal Rights.

A federal court authorized this notice. This is not a solicitation from a lawyer.

Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc. (together "Tyson") and Perdue Foods, LLC ("Perdue") have each agreed to settle a class action lawsuit brought against them by broiler chicken growers who allege that Tyson, Perdue and other companies unlawfully conspired to artificially reduce the amounts they paid to broiler chicken growers for Broiler Grow-Out Services. Tyson and Perdue deny that they did anything wrong and have asserted defenses to the claims against them.

Plaintiffs are broiler chicken growers that raised broilers for Tyson, Perdue, Pilgrim's Pride, Sanderson Foods, and Koch (together, "Defendants") and other integrators (referred to as an Alleged "Co-Conspirator" below). Plaintiffs represent a class of broiler chicken growers who have similar claims against Defendants and the Alleged Co-Conspirators.

What do the Settlements provide? Tyson will pay \$21,000,000 and Perdue will pay \$14,750,000 for a total of \$35,750,000 into a Settlement Fund, which will be used to pay Settlement Class members, attorneys' fees and litigation expenses, class representative service awards, and costs for notice and Settlement administration. Tyson and Perdue will also offer certain cooperation in the ongoing litigation against the remaining non-settling Defendants, and Perdue has agreed to certain restrictions on its ability to enforce arbitration provisions against broiler chicken growers. Perdue Settlement § 10(e).

Am I eligible to receive a payment from the Settlements? You may be eligible to receive a payment if you reside in the U.S. or its territories and were paid by **any** Defendant **or any** Alleged Co-Conspirator to provide Broiler Grow-Out Services at **any time** between January 27, 2013 and December 31, 2019. To learn who the Defendants and Alleged Co-Conspirators are, visit www.BroilerGrowersAntitrustSettlement.com.

How do I get a payment from the Settlements? If you received a Pre-Populated Claim Form and the information contained therein is correct, you do not need to do anything further to receive a payment. If you disagree with the information contained in the Pre-Populated Claim Form you received, you may submit the Claim Form with corrected information and documentation. If you received an Unpopulated Claim Form, you must complete and submit that Claim Form by **April 10, 2022** to receive a payment from the Settlement Funds. You may access a Claim Form from the website and submit it online or download and mail it to the address on the Claim Form. Claim Forms are also available by calling 1-833-907-3700 or emailing Info@BroilerGrowersAntitrustSettlement.com.

What are my rights? If you are a Class member and do nothing, you will be bound by the Settlements and will give up any right to sue Tyson and/or Perdue in separate lawsuits related to the legal claims in this lawsuit. If you want to keep your right to separately sue Tyson and/or Perdue, you must exclude yourself from one or both of the Settlements by **December 6, 2021**. If you do not exclude yourself, you may object to one or both of the Settlements and/or ask for permission to appear and speak at the Fairness Hearing but only if you do so by **December 6, 2021**. Complete information is available at www.BroilerGrowersAntitrustSettlement.com.

The Court's hearing. The Court will hold a hearing at **10:00 a.m. CT on February 18, 2022** to decide whether to approve the Settlement, grant the requested attorneys' fees of up to one-third of the gross Settlement amounts, litigation expenses not to exceed \$3,000,000, and class representative awards of up to \$50,000 each. You or your own lawyer may appear and speak at the hearing at your own expense, but there is no requirement that you or your own lawyer do so. The hearing may occur remotely, over a Zoom platform, or it may occur in person, at the United States District Court for the District of Oklahoma, located at 101 N. 5th St., Muskogee, OK 74401. Please check www.BroilerGrowersAntitrustSettlement.com for updates as to the location of the hearing.

Claxton Meeting Highlights

The Claxton City Council held its regularly scheduled meeting Monday night and unanimously approved several measures.

AllGreen Sanitation
AllGreen Sanitation Services, who currently has a contract with the city for residential polycart trash removal, has requested an increase in their services. According to a letter sent to the City by AllGreen the increase is requested due to a 35% increase in the cost of diesel fuel for the trucks and a 50% increase in the cost of resin, which is used to manufacture the polycarts.

The current monthly rate for sanitation services is \$8.75 per month and the proposed increase would make the new monthly charge \$11 per month. The current contract between AllGreen and the City allows for a request for an increase in the price of services. Council members unanimously approved the increase.

Timber Sales
Previously, the city approved the bid from Joey Cheney of Timberdawg, LLC of Statesboro to oversee the forestry of approximately 200 acres of planted pine and hardwood trees at the city's wastewater treatment plant.

Cheney's bid proposed a \$1,500 fee to "cruise and determine fair market value of timber" plus 5% of total sales at closing.

City Attorney Bill Callaway advised council members the "cruise" was completed last week. Reportedly, Cheney has solicited bids from timber companies. Sealed bids from those companies will be opened at 10 a.m. on October 14, at Callaway's office located at 104 Daniel Street in Claxton.

A compilation of the bids will be presented to the council during its meeting slated for October 18.

USDA grant
The city previously applied for a USDA grant to help fund the purchase of a new patrol car for the city's police department. Kathy Ross, of the USDA, participated in the meeting via telephone call and explained how the Community Facilities Grant will be administered.

The total cost of the new patrol car, once required equipment is installed, will be \$58,324. Under the grant, the USDA will provide \$32,000 (55% of the overall cost) and the city will provide \$26,324 (45% of the overall). The city's portion will be funded by SPLOST funds. Council members granted the authority for Mayor Terry Branch to sign the resolution.

The front page of The Atlanta Journal's edition for Sept. 23, 1906, was filled with news of the previous night's deadly riots aimed at Black people.

The Atlanta Constitution's front page for the Sept. 24, 1906, edition was given over to reporting on the riots from Sept. 22, and the state militia's presence in the city.

The front page of the Sept. 23, 1906, edition of The Atlanta Constitution had no news element, only advertising. Briefs on Page 18 reported on the riots.

Riot

continued from B1

it there,” said Candy Tate, a historian and one of the principal organizers of the event. “We are interested in healing the Atlanta community through truth and transformation.”

Atlanta writer Rebecca Burns, who in 2011 wrote a minute-by-minute account of the days immediately after the death of Martin Luther King Jr., “Burial for a King,” preceded that book in 2006 with a similarly detailed account of the 1906 massacre.

It wasn’t easy, and in researching “Rage in the Gate City: The Story of the 1906 Atlanta Race Riot,” it was often difficult to get simple facts.

“Back when I first wrote my book there was no awareness of the events – it was systematically downplayed. The official report on the riot was written by the Chamber of Commerce, after all,” Burns said. “When I did my research this did not even merit a bullet point on the Atlanta History Center’s timeline of key events.”

Burns wrote that Brownsville, the neighborhood targeted, was a “community of 1,500 residents, most of them homeowners,” like John Wesley Brown Bowen, the first Black president of Gammon

In 2013, the Atlanta History Center staged an interactive play called “Four Days of Fury: Atlanta 1906,” based on the events leading up to and following the Atlanta race riots of that year. Audience members joined actors on the sets during the performances. CURTIS COMPTON/AJC 2013

Theological Seminary, and Dr. William Penn, a Yale-educated medical doctor.

“The residents funded their own school, frequented a post office run by a Black postmaster, Luther Price, shopped at stores run by their neighbors, and attended one of three community churches.”

Burns’ book, published during the centennial anniversary, along with Mark Bauerlein’s 2001 “Negrophobia: A Race Riot in Atlanta,” helped bring attention to the area and the tragic events.

It wasn’t until 2006 that the city publicly recognized the events. The next year the massacre became part of the state’s social studies curriculum. In 2013, the Atlanta

History Center presented “Four Days of Fury: Atlanta 1906,” an interactive play about the riots.

Tankson said she was educated in Atlanta but didn’t know about the massacre until she started working with Tate, assistant director of the Emory College Center for Creativity & Arts.

“It was not taught to me. I had no idea that it happened or why it happened,” said Tankson, who sells real estate when she is not organizing events.

Scholars say the reasons for the violence were a subtle culmination of many things that had been festering in Atlanta, a city rebuilding from the Civil War.

The novel “The Clansman: A Historical Romance of the Ku Klux Klan” enjoyed popularity among whites when it was published in 1905, eventually turning into the blockbuster 1915 film “Birth of a Nation.”

There was white resentment of the first generation of Blacks not born into slavery who were growing into a Black middle class, with emerging Black colleges including Atlanta University, Clark College, Morehouse College, Spelman College, Morris Brown College and Gammon.

“All of these institutions by the turn of the century had started gaining momentum, intellectually and physically,” said Rodney T. Cohen, an Africana Studies adjunct professor at Morehouse and the author of “The Black Colleges of Atlanta.”

“Anytime individuals who were viewed as ‘less than’ rise up, it becomes a problem for the so-called establishment.”

The riot began in Brownsville on a hot Saturday night. Thousands of white men, inflamed by sensational and inaccurate newspaper reports – in both the Atlanta Journal and the Atlanta Constitution – of Black sex crimes started attacking Black residents at random.

W. E. B. Du Bois, who was teaching at Atlanta University

at the time, wrote his powerful poem, “The Litany of Atlanta,” in the riot’s wake.

“A city lay in travail, God our Lord, and from her loins sprang twin Murder and Black Hate. Red was the midnight; clang, crack and cry of death and fury filled the air and trembled underneath the stars when church spires pointed silently to Thee. And all this was to sate the greed of greedy men who hide behind the veil of vengeance!” wrote Du Bois.

Du Bois would become one of the founders of the NAACP in 1909. In 1929, Walter White, who had witnessed the massacre as a boy, became the organization’s executive secretary.

In the end, as many as 25 Black people and two white people lay dead in Decatur Street and Edgewood Avenue. Bodies were dumped at the foot of the Henry Grady statue. Men were thrown out of windows of the old Kimball Hotel.

Blacks and whites were “rounded up,” but no one was convicted of rioting or murder, said Bauerlein, who taught at Emory University before retiring in 2020.

In the riot’s aftermath, many Black residents left the city. Others retreated and segregated themselves into the safety of their own community, most notably Auburn Avenue, which became a

Black business and political hub.

But the riots did forge a peacekeeping alliance, the so-called Atlanta Way, between the business elite and the black political and middle class that some say endures to this day, which blocked the city from going up in flames like other Southern cities during the civil rights movement.

“It shaped Atlanta by setting the framework for the working relationship between white business leaders and Black clergy and civic leaders,” Burns said. “The downside of this is that concessions were demanded that deepened the divide and Jim Crow segregation. Essentially, it was a cooperative effort between elites on both sides that maintained segregation of poorer folks.”

Tate, who recently secured a \$500,000 grant for repairs to Morris Brown College, said she got the idea to commemorate 1906 while working on a project to identify “Main Streets” in old Black communities.

“You start to realize that main streets are where a lot of these race riots happened across the country,” Tate said. “As a historian and programmer, it got me thinking. It is important to remember the past to understand the present to change the future.”

a surge of COVID-19 infections in classrooms throughout August. The infections were so widespread that school systems from Cobb to Henry counties temporarily switched entire grade levels to remote learning or closed buildings to try to bring the virus under control.

Earlier this month, Decatur Schools said it planned to require staff to be vaccinated as a condition of employment, but would not require the same mandate for students.

“We all have to take individual responsibility and appropriate actions to ensure that we are safe and that others are safe,” Beasley said during the YouTube Live. He said all but two schools that had temporarily closed – Sequoyah Middle and Forest Park High – were back in class for face-to-face instruction.

Clayton County Public Schools Nurse Supervisor Micah Sawyer takes a swab Tuesday from G.P. Babb Middle School Assistant Principal Sharnelius Colbert at a Clayton Schools COVID-19 vaccination and testing drive.

Beasley made the remarks just hours after dozens of students and Clayton Schools employees filed into Babb Middle School on Tuesday to get inoculated and tested for the virus. The district, which has some of the lowest vaccination numbers in metro Atlanta, will host testing and inoculation clinics on a number of school campuses in the coming weeks to get more

shots in arms.

Clayton Schools is offering full-time staff \$500 and part-timers \$250 if they get inoculated by the end of the month. Beasley said 80% of staff who responded to a recent survey said they had been vaccinated, but only about a quarter of the district’s employees filled out the questionnaire.

The district is also looking at hiring a principal and

teachers for a permanent school for remote learners, according to Beasley.

“Our goal is to provide an option for families who would like to do remote

learning for an extended period of time,” he said, adding that the district is still in the planning stages. “More details are forthcoming.”

Despite the challenges, Beasley said he still believes in-class instruction is preferable to returning to the all-virtual education most Clayton students received for the entire 2020-2021 academic year. He said students suffered academically last year and it’s easier to manage individual outbreaks than go through more learning loss.

“It’s our responsibility to ensure that students are safe and that they are learning,” he said.

Voting

continued from B1

his campaign. “Herschel is traveling across the state connecting with Georgians and is laser-focused on beating Raphael Warnock. Glad this matter is put to rest.”

Blanchard is a Georgia resident, property owner and eligible voter, according to the investigation’s findings. She has a Georgia driver’s license, pays state income taxes and runs a business in the state.

The investigation found that Blanchard considers Georgia her home, but it didn’t address whether she meets requirements in Georgia law for voters to reside where their “habitation is fixed.”

Blanchard owns a home with Walker in Westlake, Texas, and she also owns property near Buckhead in Fulton County.

She hasn’t disclosed which is her primary residence. Voters who move to another state with the intention of making it their residence lose their eligibility to vote in Georgia.

Election records show that Blanchard used her Georgia address to return an absentee ballot in the 2020 presidential election, which she mailed in October from the couple’s residence in Texas. Blanchard’s vote raised

questions by one of Walker’s Republican opponents, Agriculture Commissioner Gary Black, who said it complicates GOP efforts to brand the party as champions of voter integrity.

Walker has called for prosecutions of voter fraud, though there’s no evidence of rampant abuse. He also has promoted other false claims made by former President Donald Trump that voting irregularities occurred in November’s election. Trump encouraged Walker to enter the Senate race.

The State Election Board’s four members – three Republicans and one Democrat – didn’t discuss the case before voting to dismiss it.

UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF OKLAHOMA

If You Were Paid to Provide Broiler Grow-Out Services at Any Time Between January 27, 2013 and December 31, 2019, Two Class Action Settlements Totaling \$35,750,000 May Affect Your Legal Rights.

A federal court authorized this notice. This is not a solicitation from a lawyer.

Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc. (together "Tyson") and Perdue Foods, LLC ("Perdue") have each agreed to settle a class action lawsuit brought against them by broiler chicken growers who allege that Tyson, Perdue and other companies unlawfully conspired to artificially reduce the amounts they paid to broiler chicken growers for Broiler Grow-Out Services. Tyson and Perdue deny that they did anything wrong and have asserted defenses to the claims against them.

Plaintiffs are broiler chicken growers that raised broilers for Tyson, Perdue, Pilgrim's Pride, Sanderson Foods, and Koch (together, "Defendants") and other integrators (referred to as an Alleged "Co-Conspirator" below). Plaintiffs represent a class of broiler chicken growers who have similar claims against Defendants and the Alleged Co-Conspirators.

What do the Settlements provide? Tyson will pay \$21,000,000 and Perdue will pay \$14,750,000 for a total of \$35,750,000 into a Settlement Fund, which will be used to pay Settlement Class members' attorneys' fees and litigation expenses, class representative service awards, and costs for notice and Settlement administration. Tyson and Perdue will also offer certain cooperation in the ongoing litigation against the remaining non-settling Defendants, and Perdue has agreed to certain restrictions on its ability to enforce arbitration provisions against broiler chicken growers. Perdue Settlement \$ 10(e).

Am I eligible to receive a payment from the Settlements? You may be eligible to receive a payment if you reside in the U.S. or its territories and were paid by any Defendant or any Alleged Co-Conspirator to provide Broiler "Grow-Out Services" at any time between January 27, 2013 and December 31, 2019. To learn who the Defendants and Alleged Co-Conspirators are, visit www.BroilerGrowersAntitrustSettlement.com.

How do I get a payment from the Settlements? If you received a Pre-Populated Claim Form and the information contained therein is correct, you do not need to do anything further to receive a payment. If you disagree with the information contained in the Pre-Populated Claim Form you received, you may submit the Claim Form with corrected information and documentation. If you received an Unpopulated Claim Form, you must complete and submit that Claim Form by April 10, 2022 to receive a payment from the Settlement Funds. You may access a Claim Form from the website and submit it online or download and mail it to the address on the Claim Form. Claim Forms are also available by calling 1-833-907-3700 or emailing Info@BroilerGrowersAntitrustSettlement.com.

What are my rights? If you are a Class member and do nothing, you will be bound by the Settlements and will give up your right to sue Tyson and/or Perdue in separate lawsuits related to the legal claims in this lawsuit. If you want to keep your right to separately sue Tyson and/or Perdue, you must exclude yourself from one or both of the Settlements by December 6, 2021. If you do not exclude yourself, you may object to one or both of the Settlements and/or ask for permission to appear and speak at the Fairness Hearing but only if you do so by December 6, 2021. Complete information is available at www.BroilerGrowersAntitrustSettlement.com.

The Court's hearing. The Court will hold a hearing at 10:00 a.m. CT on February 18, 2022 to decide whether to approve the Settlement, grant the requested attorneys' fees of up to one-third of the gross Settlement amounts, litigation expenses not to exceed \$3,000,000, and class representative awards of up to \$50,000 each. You or your own lawyer may appear and speak at the hearing at your own expense and you may object to the Settlements and ask for permission to appear and speak at the Fairness Hearing but only if you do so by December 6, 2021. Complete information is available at www.BroilerGrowersAntitrustSettlement.com for updates as to the location of the hearing.

STATE BRIEFS**Man accused of assaulting firemen**

GREENVILLE — A man has been arrested and jailed after he allegedly assaulted firefighters as they fought a fire at his home and had to be subdued with a TASER, the Pitt County Sheriff's Office said.

The sheriff's office says firefighters were inside a home in Belvoir on Sept. 9 when a man identified as Desmond Spencer, 40, entered and began fighting them, news outlets reported.

The sheriff's office said a deputy used a TASER to subdue the homeowner after a struggle involving the deputy and a trooper with the N.C. State Highway Patrol. No injuries were reported, according to the sheriff's office.

Deputies arrested Spencer and charged him with five counts of assault on a government official and two counts of probation violation. He's jailed on a \$35,000 bond.

U.S. DEPARTMENT OF AGRICULTURE**Breadstick products recalled due to possible sesame contamination****SPECIAL TO THE NEWS HERALD**

WASHINGTON, DC — The U.S. Department of Agriculture's Food Safety and Inspection Service has issued a public health alert for ready-to-eat breadsticks, meat and cheese products containing Food and Drug Administration-regulated breadsticks that have been recalled by the producer, Jag Specialty Foods, due to concerns that the products may have

co-mingled with sesame breadsticks and sesame seeds. Sesame is not declared on the product label. FSIS is issuing this public health alert out of the utmost of caution to ensure that consumers are aware that these products should

not be consumed.

The ready-to-eat breadsticks, meat and cheese snack pack items were produced on Sept. 2. The following products subject to the public health alert are:

- 3-oz. plastic packages containing "Italian Recipe Snack Tray Genoa Salsami, Provonele Cheese & Breadsticks" with sell-by date "12/30/2021" and lot number "897"

- 3-oz. plastic packages containing "Italian Recipe Snack Tray Prosciutto, Provonele Cheese & Breadsticks" with sell-by date "12/30/2021" and lot number "897"

The products bear establishment number "EST 54" printed on the top right side

of the package. These items were shipped to retail locations in North Carolina, Tennessee and Texas.

The problem was discovered when Daniele International observed that breadsticks received from Jag Specialty Foods that do not contain sesame were co-mingled with sesame breadsticks and sesame seeds and notified their supplier and FSIS.

There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about an illness should contact a health care provider.

The products who have purchased these products are urged not to consume

them. These products should be thrown away or returned to the place of purchase.

Consumers with food safety questions can call the toll-free USDA Meat and Poultry Hotline at 888-674-6854 or live chat via "Ask USDA" from 10 a.m. to 6 p.m. EST Monday through Friday. Consumers also can browse food safety messages at "Ask USDA" or send a question via email to MPIHotline@usda.gov. For consumers that need to report a problem with a meat, poultry or egg product, the online Electronic Consumer Complaint Monitoring System can be accessed 24 hours a day at bit.ly/36-bubc2.

CALDWELL COUNTY ANIMAL CONTROL**Lab confirms local rabies case****SPECIAL TO THE NEWS HERALD**

CALDWELL COUNTY — The North Carolina State Laboratory notified Caldwell County Animal Control that a raccoon submitted for testing on Sept. 16 was infected with the rabies virus. The raccoon was found off Connelly Springs Road in the Fairway Acres subdivision.

To protect your pets, make sure their rabies vaccinations are current. Rabies is a viral disease of the central nervous system that is almost always fatal once symptoms begin. The virus is found in the saliva of an animal with rabies and is usually transmitted by a bite or scratch. Rabies in raccoons, foxes, skunks and bats are the most common carriers of the disease. Because rabies is fatal and can also be transmitted to people, vaccination of dogs and cats against rabies is required by law in North

Carolina.

Animal Control will hold a rabies vaccination clinic from 1-4 p.m. Saturday, Oct. 23, at the Health and Human Services Building in Lenoir. One- and three-year vaccinations will be offered for a cost of \$7 per vaccination.

People can protect themselves and their pets from rabies by taking a few simple precautions:

- Make sure all your companion animals are up to date on their rabies vaccinations. They should always wear their license tags.

- Supervise your pets to prevent exposure.

- If a bat is found inside your home, you should contact Animal Control.

- If your animal is exposed to a potentially rabid animal, wear gloves to protect yourself from the infectious saliva that may be on your animal's coat.

- Teach your children to stay away from wild ani-

mals, including bats or animals they don't know.

- Avoid attracting wildlife to your home by removing food sources, such as food scraps and removing cat and dog food at night.

Bats and other wild animals are scavengers and search for sources of food. It is important to keep all garbage containers sealed tightly and especially areas of high food disposal. This also pertains to pet food bowls. When your pet finishes eating, clean out the bowl to avoid other animals from getting the food and keep discarded foods

inaccessible to animals to lessen the chance of them coming to your residence or business to look for food.

For more information concerning rabies and/or receiving a rabies vaccination, contact the Animal Control Division of the Caldwell County Health Department at 829 Fairview Drive SW, Lenoir, NC 28645 or call 828-757-8625. If there is an emergency situation outside the normal working hours of 8 a.m. to 5 p.m. Monday through Friday, notify the Caldwell County Sheriff's Office at 828-758-2324.

If You Were Paid to Provide Broker Grow-Out Services,
At Any Time Between January 27, 2019, and December 31, 2019,
Two Class Actions, Settlement, Toll-Free 1-800-360-0000, May Affect Your Legal Rights.

A federal court authorized this notice. This is not a solicitation from a lawyer.

Typar Frank, Inc., Typar Chemicals, Inc., and Typar Poly-L Inc. (together "Typar") and Partner Foods, LLC ("Partner") have each agreed to settle a class action lawsuit brought against them by broker chicken growers who allege that Typar, Partner and other companies unlawfully conspired to artificially reduce the amounts they paid to broker chicken growers for Broker Grow-Out Services. Typar and Partner deny that they did anything wrong and have asserted defenses to the claims against them.

Plaintiffs are broker chicken growers that raised broilers for Typar, Partner, Pigeon Ponds, Sanderson Foods, and Koch (together, "Defendants") and other respondents (referred to as an "Alleged Co-Defendant") within Plaintiffs' respective areas of broker chicken growers who have similar claims against Defendants and the Alleged Co-Defendants.

What do the Settlements involve? Typar will pay \$21,000,000 and Partner will pay \$14,750,000 for a total of \$35,750,000 into a Settlement Fund, which will be used to pay Settlement Class members, attorneys' fees and litigation expenses, class representative services, and costs for notice and Settlement administration. Typar and Partner will also offer certain compensation in the ongoing litigation against the remaining non-settling Defendants, and Partner has agreed to certain restrictions on its ability to enforce arbitration provisions against broker chicken growers. Please See Settlement § 1.06.

Am I eligible to receive a payment from the Settlements? You may be eligible to receive a payment if you reside in the U.S. or its territories and were paid by any Defendant or any Alleged Co-Defendant to provide Broker Grow-Out Services at any time between January 27, 2019, and December 31, 2019. To learn who the Settlements and Alleged Co-Defendants are, visit www.broilerchickengrowersattesttlement.com.

How do I get a payment from the Settlements? If you received a Pre-Paid Claim Form and the information contained therein is correct, you do not need to do anything further to receive a payment. If you disagree with the information contained in the Pre-Paid Claim Form, you must complete and submit the Claim Form with completed information and documentation. If you received an Unpaid Claim Form, you must complete and submit that Claim Form by April 10, 2022 to receive a payment from the Settlement Funds. The Claim Form is also available by calling 1-800-360-0000 or emailing info@broilerchickengrowersattesttlement.com.

What are my rights? If you are a Class member and do nothing, you will be bound by the Settlements and will give up any right to sue Typar and/or Partner in separate lawsuits related to the legal claims in this lawsuit. If you want to keep your right to sue separately sue Typar and/or Partner, you must opt out from one or both of the Settlements by December 6, 2021. If you do not opt out, you may object to one or both of the Settlements and/or ask for permission to appear and speak at the Fairness Hearing but only if you do so by December 6, 2021. Complete information is available at www.broilerchickengrowersattesttlement.com.

If You Were Paid to Provide Broiler Grow-Out Services at Any Time Between January 27, 2013 and December 31, 2019, Two Class Action Settlements Totalling \$35,750,000 May Affect Your Legal Rights.

A federal court authorized this notice. This is not a solicitation from a lawyer.

Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc. (together "Tyson") and Perdue Foods, LLC ("Perdue") have each agreed to settle a class action lawsuit brought against them by broiler chicken growers who allege that Tyson, Perdue and other companies unlawfully conspired to artificially reduce the amounts they paid to broiler chicken growers for Broiler Grow-Out Services. Tyson and Perdue deny that they did anything wrong and have asserted defenses to the claims against them.

Plaintiffs are broiler chicken growers that raised broilers for Tyson, Perdue, Pilgrim's Pride, Sanderson Foods, and Koch (together, "Defendants") and other integrators (referred to as an Alleged "Co-Conspirator" below). Plaintiffs represent a class of broiler chicken growers who have similar claims against Defendants and the Alleged Co-Conspirators.

What do the Settlements provide? Tyson will pay \$21,000,000 and Perdue will pay \$14,750,000 for a total of \$35,750,000 into a Settlement Fund, which will be used to pay Settlement Class members, attorneys' fees and litigation expenses, class representative service awards, and costs for notice and Settlement administration. Tyson and Perdue will also offer certain cooperation in the ongoing litigation against the remaining non-settling Defendants, and Perdue has agreed to certain restrictions on its ability to enforce arbitration provisions against broiler chicken growers. Perdue Settlement § 10(e).

Am I eligible to receive a payment from the Settlements? You may be eligible to receive a payment if you reside in the U.S. or its territories and were paid by **any** Defendant **or any** Alleged Co-Conspirator to provide Broiler Grow-Out Services **at any time** between January 27, 2013 and December 31, 2019. To learn who the Defendants and Alleged Co-Conspirators are, visit www.BroilerGrowersAntitrustSettlement.com.

How do I get a payment from the Settlements? If you received a Pre-Populated Claim Form and the information contained therein is correct, you do not need to do anything further to receive a payment. If you disagree with the information contained in the Pre-Populated Claim Form you received, you may submit the Claim Form with corrected information and documentation. If you received an Unpopulated Claim Form, you must complete and submit that Claim Form by **April 10, 2022** to receive a payment from the Settlement Funds. You may access a Claim Form from the website and submit it online or download and mail it to the address on the Claim Form. Claim Forms are also available by calling 1-833-907-3700 or emailing Info@BroilerGrowersAntitrustSettlement.com.

What are my rights? If you are a Class member and do nothing, you will be bound by the Settlements and will give up any right to sue Tyson and/or Perdue in separate lawsuits related to the legal claims in this lawsuit. If you want to keep your right to separately sue Tyson and/or Perdue, you must exclude yourself from one or both of the Settlements by **December 6, 2021**. If you do not exclude yourself, you may object to one or both of the Settlements and/or ask for permission to appear and speak at the Fairness Hearing but only if you do so by **December 6, 2021**. Complete information is available at www.BroilerGrowersAntitrustSettlement.com.

Norfolk Southern releases environmental report

NORFOLK, Va. — The Norfolk Southern Corp. has released its 14th annual report on corporate responsibility. The company's report received a name change this year, now known as the Environmental, Social, and Governance Report, to better reflect the company's holistic commitment to a sustainable enterprise.

"At Norfolk Southern, sustainability is in our DNA, a part of everything we do as a company. From

environmental stewardship to the safety and development of our entire team, we are in the business of a better planet, committed to bold leadership and deliberate action," said James A. Squires, Norfolk Southern chairman, president and CEO.

Norfolk Southern noted that it took its sustainability efforts to new heights in 2020, becoming the first major North American railroad to issue green bonds, in the amount of \$500 million. Further, the company established a science-based target for a 42 percent reduction in greenhouse gas emissions intensity that is consistent with the Paris Agreement on climate change.

"We're focused on driving change, being proactive, and managing for results. We're going to continue looking for ways to drive efficiency in our business and lower our environmental impacts. It's really about being the best steward that we can be of our assets, contributing to a better planet, and adding value for our stakeholders," said Josh Raglin, Norfolk Southern's chief sustainability officer.

Among the milestones listed in the report, Norfolk Southern:

- Made significant infrastructure and community investments
- Issued \$500 million in green bonds to fund eligible green projects addressing climate change and sustainability.
- Made approximately \$850 million in new infrastructure investments, inclusive of rail, crossties, ballast, and track.
- Spent \$166 million with diverse suppliers.
- Made \$13.1 million in total corporate contributions across the company's 22 state footprint.
- Set a goal to improve fuel efficiency 8.6 percent by 2020. That goal was exceeded in 2020, with a 9.4 percent improvement. This saved more than 130 million gallons of diesel fuel and avoided 1.3 million metric tons of emissions.
- Nearly doubled renewable energy usage to 18 percent in deregulated markets as of May 1, 2021. Established

a new goal of using 30 percent clean energy by 2030.

- Recycled 100 percent of old cross ties and more than 90 percent of steel.
- Recycled all 400 miles of rail replaced each year.
- Reclaimed over 6,200 tons of used oil.
- Moved more than 10.2 billion pounds of grain that poultry producers used as feedstock to raise 1.7 billion chickens and turkeys.

PHILADELPHIA, Sept. 22, 2021 /PRNewswire/ -- Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc. (together "Tyson") and Perdue Foods, LLC ("Perdue") have each agreed to settle a class action lawsuit brought against them by broiler chicken growers who allege that Tyson, Perdue and other companies unlawfully conspired to artificially reduce the amounts they paid to broiler chicken growers for Broiler Grow-Out Services. Tyson and Perdue deny that they did anything wrong and have asserted defenses to the claims against them.

Plaintiffs are broiler chicken growers that raised broilers for Tyson, Perdue, Pilgrim's Pride, Sanderson Foods, and Koch (together, "Defendants") and other integrators (referred to as an Alleged "Co-Conspirator" below). Plaintiffs represent a class of broiler chicken growers who have similar claims against Defendants and the Alleged Co-Conspirators.

What do the Settlements provide?

Tyson will pay \$21,000,000 and Perdue will pay \$14,750,000 for a total of \$35,750,000 into a Settlement Fund, which will be used to pay Settlement Class members, attorneys' fees and litigation expenses, class representative service awards, and costs for notice and Settlement

administration. Tyson and Perdue will also offer certain cooperation in the ongoing litigation against the remaining non-settling Defendants, and Perdue has agreed to certain restrictions on its ability to enforce arbitration provisions against broiler chicken growers. Perdue Settlement § 10(e).

Am I eligible to receive a payment from the Settlements?

You may be eligible to receive a payment if you reside in the U.S. or its territories and were paid by any Defendant or any Alleged Co-Conspirator to provide Broiler Grow-Out Services at any time between January 27, 2013 and December 31, 2019. To learn who the Defendants and Alleged Co-Conspirators are, visit www.BroilerGrowersAntitrustSettlement.com.

How do I get a payment from the Settlements?

If you received a Pre-Populated Claim Form and the information contained therein is correct, you do not need to do anything further to receive a payment. If you disagree with the information contained in the Pre-Populated Claim Form you received, you may submit the Claim Form with corrected information and documentation. If you received an Unpopulated Claim Form, you must complete and submit that Claim Form by April 10, 2022 to receive a payment from the Settlement Funds. You may access a Claim Form from the website and submit it online or download and mail it to the address on the Claim Form. Claim Forms are also available by calling 1-833-907-3700 or emailing Info@BroilerGrowersAntitrustSettlement.com.

What are my rights?

If you are a Class member and do nothing, you will be bound by the Settlements and will give up any right to sue Tyson and/or Perdue in separate lawsuits related to the legal claims in this lawsuit. If you want to keep your right to separately sue Tyson and/or Perdue, you must exclude yourself from one or both of the Settlements by December 6, 2021. If you do not exclude yourself, you may object to one or both of the Settlements and/or ask for permission to appear and speak at the Fairness Hearing but only if you do so by December 6, 2021. Complete information is available at www.BroilerGrowersAntitrustSettlement.com.

The Court's hearing.

The Court will hold a hearing at 10:00 a.m. CT on February 18, 2022 to decide whether to approve the Settlement, grant the requested attorneys' fees of up to one-third of the gross Settlement amounts, litigation expenses not to exceed \$3,000,000, and class representative

awards of up to \$50,000 each. You or your own lawyer may appear and speak at the hearing at your own expense, but there is no requirement that you or your own lawyer do so. The hearing may occur remotely, over a Zoom platform, or it may occur in person, at the United States District Court for the District of Oklahoma, located at 101 N. 5th St., Muskogee, OK 74401. Please check www.BroilerGrowersAntitrustSettlement.com for updates as to the location of the hearing.
